

ATOM 570 PROFESSIONAL 2-STROKE LAWN EDGER

(PATENTED)
WITH ANTI-VIBRATION OPERATOR COMFORT SYSTEM
CUTS CLEAN CRISP LAWN EDGES - FAST

VERY POWERFUL
VERY FAST

Trigger throttle with safety interlock and fingertip on/off ignition switch

Cross-brace for extra stability

Powerful 34cc Komatsu-Zenoah durable full crank commercial engine

Comfortable air-cushion bio-rubber grips

Automatic clutch system

Strong steel handles

Reinforced super strength polymer casing

7 point anti-vibration system

6 position height adjustment

Fully enclosed solid steel 12mm precision ground transmission shaft

Large fully enclosed blade guard

Large 150mm (6") rubber tyre with axle seals & ball bearings

Debris Deflector

4-Blade Cutting System. Longest 271mm (10 ²/₃") hardened spring steel blades for smoother operation, long life and neater cutting (Patented)

BENEFITS

MODEL SPECIFICATIONS

PROFESSIONAL
2-STROKE

- **Light-in-weight**
- **Strong robust construction**
- **Easy to Start**
- **Very Fuel Efficient**
- **Long Lasting 4-blade cutting system**
- **Affordable quality with long life**
- **Cuts neat edges everywhere**
- **Edges anywhere including round corners and curbs and gutters**
- **Environmentally friendly due to speed of job completion, extremely little fuel use, economical 4-blade cutting system**
- **Safety features throughout**
- **Quality Engineering**
- **Solid steel precision ground ball bearings drive shaft, no belts to replace**
- **Durable quality lawn edger with long life will outlast all other brand gasoline edgers.**

Model	Atom 570
Engine	Komatsu-Zenoah Commercial Engine
Displacement	34cc
Power	1.2kW (1.6 Hp)
Fuel	50:1 Petrol/Oil mix
Weight (kg)	9kg (20lbs)
Blades Length	271mm (10 ² / ₃ "
Cutting Depth	75mm (3")
Gear box reduction	Very Tough Steel Machine Cut 3.54:1 Precision Spiral Bevel Gears
Power Drive	Solid precision ground 12mm diameter 2 ball bearings steel shaft
Wheel	Rubber Tyred with premium sealed ball bearings

Full instruction/user manual supplied with each unit.

Atom's innovative patented Lawn Edger System **is the world's only Gold Medal winning lawn edger.** Its unique breakthrough design was awarded the **Gold Medal** at the prestigious International Inventions and New Technology Convention in Switzerland. The Atom Professional Edger was voted Product of the Year by Power Equipment Australasia Magazine. In the USA in 2000, Atom also won the OEM MIE Award for the Atom Professional Edger System.

The upgraded new model light in weight, heavy duty Atom 570 Professional Lawn Edger can edge anywhere. It has a powerful 34cc Komatsu-Zenoah full crankshaft commercial 2-stroke engine and long 271mm (10²/₃" hardened spring steel long lasting 4-bladed cross-blades which can cut through the toughest overgrown grass. Also, Atom's blades length are longer than industry standard thus adding even further longer life to the 4-blade cutting system.

The highly manoeuvrable wheelbarrow action means you can edge along curbs and gutters, around tight corners, garden plots, and by simply tilting the edger sideways you can edge up against tight walls and fences.

Fitted with Air-Cushion Handles the Atom Professional 2-Stroke Edger has a very smooth running engine and features a 7-point anti-vibration system for maximum operator comfort and is a pleasure to use. It has a very manoeuvrable heavy duty large 150mm (6") rubber tyred wheel with premium sealed ball bearings.

The Atom Professional lawn edger can edge up to 90% faster compared to other edging devices, enabling the professional operator to edge and mow more lawns per day, saving time and money. It also uses up to 80% less fuel compared with other full size lawn edgers.
