

**Sweeper** Robust sweeper with high capacity collection. Quick and tool-less assembly. Collapses for easy storage and adjustable brush height. Working width - 112cm. Collector Volume 705L Code: 586-63-65-01

**Extra large flow through collector**

Optimum air flow for improved collector fill rate. Longer run time between emptying the collector.

**Off-set hitch**

Allows you to sweep and mow at the same time (with a side ejecting tractor).

**Easy storage**

The sweeper collapses for easy storage.

**Brush height adjustment**

Easy to adjust brushes to correct sweeping height. Only brush is moved when adjusting height. The collector always stays in the same position to clearance to the ground.

**FEATURES**

- Easy storage
- Off-set hitch
- Extra large flow through collector
- Brush height adjustment

**Technical Specifications**

DIMENSIONS	
Article gross weight	42000 g
Article net weight	37000 g
Base machine, height	132 cm
Base machine, length	198 cm
Base machine, width	140 cm
Collector volume	705 l
Height adjustment	12 steps
Height adjustment range	5.7 cm
Tyre size	280 mm
Weight	41 kg
Working width	112 cm
EQUIPMENT	
Drive System	Mechanical
Gear ratio	8.5
Number of brooms	4
